Nomination for the Outstanding Service Award
American College of Dentists

The Outstanding Service Award recognizes broad, exceptional, and distinguished contributions of a Fellow to the profession and society. Nominees must demonstrate the qualities below while upholding a level of leadership and professionalism that exemplifies the College. The nominee must be a living Fellow in good standing when nominated, although the award may be given posthumously.

To be considered for the Outstanding Service Award, nominees must be known for:

- Outstanding service to dentistry
- Outstanding service to community
- Outstanding service to humanity
- The specific effort embodies the service ideal.
- The effort emphasizes compassion. Beneficence, and unselfish behavior.

Nominations must clearly detail exceptional levels of achievement in more than one of the above categories to be successful. Please complete this cover sheet and submit with your nomination materials. The Board of Regents considers nominations for awards each spring, and the successful candidate is invited to be a guest of honor at the Annual Meeting that fall.

A nomination is considered complete with the following documents:

- A letter of nomination from a Fellow in good standing
- Two additional letters of support (no more than five)
- The Nominee’s CV, resume, and/or biographical profile

Nominations should be submitted by March 1 to the Executive Office. Nominators will be informed of the Board’s decision by May 1, and selected Awardees will be sent a welcome letter from the Executive Office with information about attending the Annual Meeting. The Executive Office will notify the Nominator, only, of unsuccessful nominations.
