Registering for ACD 2022 and SmileCon

The ACD is a meeting affiliate of the ADA. We work together and share resources to bring the best value and the highest quality experience to both ACD Fellows and ADA members.

1. Register for ACD 2022. Candidates to be inducted must register by August 31. Current Fellows must register by September 15. The deadline for cancellations with a refund is September 30.

2. After registering, you will be prompted to click on a link to SmileCon and use **Group Code ACDHOU** to reserve your hotel room and register for SmileCon. By using the group code, you will automatically receive member pricing regardless of your ADA membership status. This year, anyone accessing the ADA room block must purchase a pass. [Click here to see pass choices.](https://www.visithoustontexas.com/)

   The room block is open until July 8 or until all rooms are exhausted. Once the rooms are gone, or after July 8, whichever comes first, rooms will be available as space allows at other hotels or as cancellations are received by the Hilton Americas, the ACD official meeting hotel.

3. Enjoy planning your trip to Houston!
